

## WILLAMETTE VALLEY PINOT NOIR 2014

Our Willamette Valley Pinot Noir represents a blend of the finest vineyards in the Willamette Valley and includes grapes from our own estate vineyards, Résonance and Découverte. We work with like-minded wine growers throughout the area who share our commitment to cultivating terroir-driven Pinot Noir. The result is a cuvée that offers an authentic representation of the Willamette Valley AVA.

### VINTAGE NOTES

The warmest vintage on record in the Willamette Valley, 2014 started wet but quickly dried out due to summer heat. Temperatures were generally even. The fruit was characterized by the balance of power, structure, and elegance.

### TASTING NOTES

Deep and brilliant dark-ruby color. On the nose, aromas of red fruits are elegantly bolstered by a touch of spice and wood. Flavors such as cherries, currants, tobacco, and mocha stand out in the mouth, with soft tannins and a pleasant minerality lingering on the finish.
